

A Message from Sai Sevak

कर्ता कारयिता चैव प्रेरकशानुमोदकः । सुकृते दुष्कृते चापि चत्वारः समभागिनः॥

The doer, the one who gets it done, the stimulator and the follower - be it a misdeed or a meritorious deed, all four of them have an equal share.

When the cause is noble, then every person participating in that cause become blessed. The Datta Sai Mandir in San Ramon is a great devotional center, and this is a great cause and a useful purpose for everyone. Sri Datta Sai Mandir transformed San Ramon into Sai Rama Nagar. The temple has become a host to all the deities and has been expanding into a devotional and cultural center with the support from all of the devotees.

While, **aham** or self-centeredness leads to unfulfillment and **iham** or worldly interest might help to accumulate materialistic success, ultimately **param** or supremeness will lead to exalted life in future births as well. This is not for writing only and we should implement in our daily practice with Shraddha and Saburi. I am primarily reminding all of you that we need to come together wholeheartedly with hand in heart for this noble cause. With purity at the innermost heart, which is the source of thoughts, speech and bodily actions, we will achieve trikarana shuddhi that everyone can achieve towards this great purpose.

Why do we worship Sai Baba?

Sai Baba is a Maharshi (sage), who was an ordinary human possessing qualities like unlimited penance, sacrifice, spiritual mind, diet control, positive thinking, helping and forgiving nature and patience, etc. We have to first observe these good qualities, follow these principles and finally practice them in real life. A Maharshi can also control his desires, anger and ego. Thus, Maharsis attained mantra siddhi and mantra shuddhi, while they kept mantras in their control – Lord Krishna says “दैवाधीनं जगत्सर्वं मन्त्राधीनं तु देवतम् । तन्मन्त्रं ब्राह्मणाधीनं ब्राह्मणा मम देवता:॥”. The nature becomes favorable to human life by transforming itself in various seasons like summer, fall, winter, spring, etc. by catering to all of our necessities. Nature can also be referred to as svabhava. However, humans tend not be as flexible as nature and are not able to adapt their behavior to suit others. **देवं मानुषरूपेण** – Divine power is not found elsewhere, but every human possesses it. Some people could realize such power and use it to its fullest extent to help humanity and some could not. Like the electricity that powers the entire house cannot be seen, although it is present throughout the house, spiritual power is present within and one has to realize its presence. Sri Shiridi Sai Baba showed us how to lead our lives by demonstrating this through his life.

About Swasthala

Recently, our SDST strong devotees had excellent Sankalpam, which is build gold-plated Simhasanam for Swamy. This is a lot of work and expensive, but we achieved this because of support from donors.

My primary goal is to build Swasthala for Swamy. We found an excellent place nearby, but we have to work out several logistics and secure this place. We are requesting all devotees to help and participate in this noble effort with either monetary or volunteer help. If anyone is interested in helping with this noble cause, please call at my cell phone 510-673-7938, and we will work together to secure the swasthala and take this temple to the next level.

Please visit the temple and receive Swami's blessings. I request all the devotees to come forward and help in any way you can and extend your support by participating in the temple activities, whenever you can. With the support from all the devotees, the temple has come from a humble beginning to this great devotional center. I pray to Sai Baba that his grace and blessings will be there for all the devotees.

Śārvatī Nāma Saṁvatsara Nakṣatra Chakram:

Each number represents 4 months (three numbers comprise the whole year). Zero implies unhappiness for that period of four months.

If the total sum is odd, then the year will yield some happiness.
If the total is even, that would imply average results in that year.
